Dear Ms. Dennis:

We received your 15 June 2012 letter appealing our 24 May 2012 final response to your Privacy Act request referenced above.

Your appeal has been accepted and arrangements will be made for its consideration by the appropriate members of the Agency Release Panel. You will be advised of the determinations made.

In order to afford requesters the most equitable treatment possible, we have adopted the policy of handling appeals on a first-received, first-out basis. Despite our best efforts, the large number of appeals that CIA receives has created unavoidable processing delays making it unlikely that we can respond within 20 working days. In view of this, some delay in our reply must be expected, but every reasonable effort will be made to respond as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Michele Meeks".
